this book introduces the reader to a journey of self exploration the author gives a personal account of her own journey and in doing so shows the reader the important lessons she has learned along the way the author s philosophy of life is the foundation for the book and the reader as he progresses through the pages comes to an understanding of how the author came to her philosophy the purpose of the book is to stimulate each reader to think about their own life in greater depth the author does not wish to impose her philosophy on any reader but rather to have each reader develop their own philosophy of life this book will invite the reader to ask questions such as who am i and what is the purpose of my life once asked the book will serve as a road map for the reader s own voyage of self discovery first and foremost the author wishes each and every reader a bon voyage the author writes i find myself an ordinary person living in extraordinary times i feel that i am fortunate to have experienced leaving one century and moving into the next much has been said and written about the turning of the century and i have spent some time examining what all this means to me at 50 plus years of age the prospect of living in the new century stirred an awakening within me an unsettled feeling one of unrest and anticipation mixed with some fear it encouraged me to pause and to think about the meaning of life and especially the meaning of my life there is so much that i want to share with all of you it is my hope that with this sharing you will be stimulated to begin your own special journey at a much younger age than i did what i have learned in my 50 plus years is that fifty is not really nifty that life is full of surprises and that we never stop learning the purpose of this document is to try to communicate some of what i have learned and to encourage anyone who may chance to read it this book will be a sharing of my philosophy of life and is meant simply to guide and help others i began this endeavor as a result of some major changes in my life and if i have any regrets today it is that it took so long for me to begin my voyage now that i have embarked i hope that my voyage will continue for the rest of my days life is a journey and each journey has a beginning a middle and an end whether you are at the beginning in the middle or nearing the end of your journey it is important that you recognize where you

are once you know where you are you can reflect on where you've been or where you have come from and this knowledge will help you to see where you are headed we will all end up at the same final destination i prefer to think about it in terms of completing a cycle when i finish my journey i will be returning to the point at which i began my journey remember life is about living each day to the fullest life is about loving every creature and being that you come in contact with on your journey life is about learning all that you can possibly soak up as you travel on your journey life is about leaving a legacy how do you want to be remembered now begin your own fantastic voyage bon voyage

my book life is a journey evoked the feelings of thousands of immigrants like me who leaves their country of origin to settle this part of the world for a better and prosperous life for them and their children parenting anywhere in the world is not that easy for most of us learning takes place while on the job interaction with other parents confirms that most of us have concerns in many of the same area these concerns seems to be a unique to people of the given culture indian who travel to this part of the world and upon becoming parents are caught up in the dilemma of making the best of both worlds or neglecting one for the other each parent's dream is to see their children do excel supporting each other and being best friends long after they are gone parents are not always perfect they may not always use the right words or wear the fancy clothes or have gone to the best school but one thing is for sure they love their children with a big heart for them the children and their happiness comes first and it always will

life changes while grieving is an overview of one man's thoughts and actions concerning his journey of grief after the tragic sudden death of his wife and the life changes he encountered and created to further his healing process author dominic murgido looks back at the life changes that brought risks and choices to his world while trying to move forward and find resilience for his future in his third book dominic explains what he experienced during each life change that took him to another level of coping and understanding where he was and where he needed to be life changes while grieving is a summary of a grief journey detailing what happened and how the author was able to move forward there were days that he struggled moments that took him by surprise and triggers that brought him to tears but in the end all became good because the author learned to live with loss join dominic as he shares some past reflections that he wrote and explores three life changes that made him realize there was another step to take on his own for the healthy continuation of living his best life he is guided through time patience and self renewal three significant changes one ultimate outcome comfort peace and grace in life's journey

poetry is something that we all share each time that we think a thought we think in poetry only some of us are not able to put it in words but thoughts of poetry live in our hearts we are filled with emotions and that is what poetry is you need to just open your heart to the words written for they are the words coming from a heart just like you from our pain and our sacrifices to our joy and happiness when you read this we will be able to see that we are all the same seeking love and a dream that we can claim
